- GLASS FUSING AND SLUMPING WEEK END
- 10.00-3.00 Saturday and Sunday 27 and 28 April 2019

Spend Saturday experimenting with making clear and coloured fused glass pieces. Learn about colour mixing and including other materials in your work. On Sunday choose one of fused glass pieces to slump into a shallow dish or plate, sized between 4 and 6 inches square and experiment with making a relief picture and melting glass over other found objects. If you have more advanced stained glass skills, you are welcome to come for support with any projects, after a discussion with the tutor to make sure I can cater for your needs.

Course Fee £75.00 to be paid to Rowan Humberstone

Materials cost £25.00 to be paid to the tutor at the course
